*Indicates required course/area or prerequisite, for *Diploma* (italicized) and/or MDiv, but not all courses need to be taken at the point indicated. Others listed are suggestions for a possible course of study and may not always be offered when indicated. MAR and STM students will need more specific advising. Whatever your degree program, please talk with the Dean or Associate Dean as well as with your YDS academic advisor to help tailor your course of study to both meet the requirements and fulfill your aspirations.
